PREMIUM
DIAGNOSTIC RANGE

SOLTECH is based in Sialkot most commonly known as the City of the Exporters.

SOLTECH manufactures and export Surgical instruments used for the Surgical Procedures. We have supplied the medical profession with high quality, correctly styled products in accordance with the International Standards. SOLTECH is certified by the FDA (Food & Drug Administration USA), ISO 9001 : 2000 / ISO: 13485:2003 and CE Mark. We produce all the patterns most widely used and accepted occasionally, another style may be preferred. In this event we can usually supply the instrument if either a catalogue number, sample or a brief description can be provided.

SOLTECH worldwide reputation for high-quality Surgical Instruments spans more than 50 years. And it is a reputation that is well earned: every instrument is made of durable, surgical-grade stainless steel, crafted to exacting tolerances, and then rigorously tested for reliability and function.

SOLTECH, P.O.1193, Sialkot-Pakistan,Kashmir Road,
Christian Town,51310 Sialkot-Pakistan.
